The rules governing the confidentiality of the Form 1023 application are covered in Code section 6104.

## Purpose of Form

**1. Completed Form 1023 required for section 501(c)(3) exemption.**—Unless it meets either of the exceptions in item 2 below, or notifies the IRS that it is applying for recognition of section 501(c)(3) exempt status, no organization formed after October 9, 1969, will be considered tax-exempt under section 501(c)(3).

An organization notifies the IRS by filing a completed Form 1023. Form 1023 also solicits the information that the IRS needs to determine if the organization is a private foundation.

**2. Organizations not required to file Form 1023.**—The following organizations will be considered tax-exempt under section 501(c)(3) even if they do not file Form 1023: (a) churches, their integrated auxiliaries, and conventions or associations of churches, or (b) any organization that is not a private foundation (as defined in section 509(a)) and that has gross receipts in each taxable year of normally not more than \$5,000.

Even if these organizations are not required to file Form 1023 to be tax-exempt, they may wish to file Form 1023 and receive a determination letter of IRS recognition of their section 501(c)(3) status to obtain certain incidental benefits such as public recognition of their tax-exempt status; exemption from certain state taxes; advance assurance to donors of deductibility of contributions; exemption from certain Federal excise taxes; nonprofit mailing privileges, etc.

**3. Other organizations.**—In applying for a determination letter, cooperative service organizations, described in section 501(e) and (f), and child care organizations, described in section 501(k), use Form 1023 and are treated as section 501(c)(3) organizations.

**4. Group exemption letter.**—Generally, Form 1023 is not used to apply for a group exemption letter. For information on how to apply for a group exemption letter, see Pub. 557.

## What To File

All applicants must complete pages 1 through 9 of Form 1023. The following organizations must also complete the schedules or form indicated:

1. Churches — Schedule A
2. Schools — Schedule B
3. Hospitals and Medical Research — Schedule C
4. Supporting Organizations (509(a)(3)) — Schedule D
5. Private Operating Foundations — Schedule E
6. Homes for the Aged or Handicapped — Schedule F
7. Child Care — Schedule G
8. Scholarship Benefits or Student Aid — Schedule H
9. Organizations that have taken over or will take over a "for profit" institution — Schedule I
10. Organizations requesting an advance ruling in Part III, Line 11 — Form 872-C

**Attachments.**—State on each attachment that it relates to Form 1023 and identify the applicable part and line item number. Also show on each attachment the organization's name, address, and employer identification number (EIN). Use 8½ by 11 inch paper for attachments.

In addition to the required documents and statements, include with the application any additional information citing court decisions, rulings, opinions, etc., that will expedite processing of the application. Generally, attachments in the form of tape recordings are not acceptable unless accompanied by a transcript.

## When To File

An organization formed after October 9, 1969, must file Form 1023 to be recognized as an organization described in section 501(c)(3). Generally, if an organization files its application within 15 months after the end of the month in which it was formed, and if the IRS approves the application, the effective date of the organization's section 501(c)(3) status will be the date it was organized.

Generally, if an organization does not file its application (Form 1023) within 15 months after the end of the month in which it was formed, it will not qualify for exempt status during the period before the date of its application. For exceptions and special rules, including automatic extensions in some cases, see Part III of Form 1023.

## Where To File

File the completed application, and all information required, with the IRS key district office for the organization's principal place of business or office as listed in Form 8718. As soon as possible after the complete application is received, you will be advised of the IRS's determination and of the annual returns (if any) that the organization will be required to file.

## Signature Requirements

An officer, a trustee who is authorized to sign, or another person authorized by a power of attorney must sign this application. Send the power of attorney with the application when you file it. **Form 2848**, Power of Attorney and Declaration of Representative, may be used for this purpose.

## Deductibility of Contributions

Deductions for charitable contributions are not allowed for any gifts or bequests made to organizations that do not qualify under section 501(c)(3). The effective date of an organization's section 501(c)(3) status determines the date that contributions to it are deductible by donors. (See **When To File** on page 1.)

Contributions by U.S. residents to foreign organizations generally are not deductible. Tax treaties between the U.S. and certain foreign countries provide limited exceptions. Foreign organizations (other than those in Canada or Mexico) claiming eligibility to receive contributions deductible by U.S. residents must attach an English copy of the U.S. tax treaty that provides for such deductibility.

## Public Inspection of Form 1023

**IRS responsibilities.**—If the application is approved, it and any supporting documents will be open to public inspection in any key district office and in the Internal Revenue Service's National Office, as required by section 6104. In addition, any letter or other document issued by the IRS with regard to the application will be open to public inspection. However, information relating to a trade secret, patent, style of work, or apparatus that, if released, would adversely affect the organization, or any other information that would adversely affect the national defense, will not be made available for public inspection. Applicants must identify this information by clearly marking it "NOT SUBJECT TO PUBLIC INSPECTION" and attach a statement explaining why the organization asks that the information be withheld. If the IRS agrees, the information will be withheld.

**Organization's responsibilities.**—The organization must make available for public inspection a copy of its approved application and supporting documents, along with any document or letter issued by the IRS. These must be available during regular business hours at the organization's principal office and at each of its regional or district offices having at least three paid employees. See Notice 88-120, 1988-2 C.B. 454. If any person under a duty to comply with the inspection provisions fails to comply with these requirements, a penalty of \$10 a day will be imposed for each day the failure continues.

## Appeal Procedures

The organization's application will be considered by the key district office which will either:

1. Issue a favorable determination letter;
2. Issue a proposed adverse determination letter denying the exempt status requested; or
3. Refer the case to the National Office.

If we send you a proposed adverse determination, we will advise you of your appeal rights at that time.

## Language and Currency Requirements

Form 1023 and attachments must be prepared in English. If the organizational document or bylaws are in any other language, an English translation must be furnished. If the organization produces or distributes foreign language publications that are submitted with the application, you may be asked to provide English translations for one or more of them during the processing of the application.

Report all financial information in U.S. dollars (specify the conversion rate used). Combine amounts from within and outside the United States and report the total for each item on the financial statements.

For example:

Gross Investment Income	
From U.S. sources	\$4,000
From non-U.S. sources	<u>1,000</u>
Amount to report on income statement	\$5,000

## Annual Information Return

If the annual information return for tax-exempt organizations becomes due while its application for recognition of exempt status is pending with the IRS (including any appeal of a proposed adverse determination), the organization should file **Form 990**, Return of Organization Exempt From Income Tax, (or **Form 990-EZ**, Short Form Return of Organization Exempt From Income Tax) and if required, **Schedule A (Form 990)**, Organization Exempt Under Section 501(c)(3), or **Form 990-PF**, Return of Private Foundation, if a private foundation, and indicate that an application is pending.

## Special Rule for Canadian Colleges and Universities

A Canadian college or university that has received a **Form T2051**, Notification of Registration, from Revenue Canada (Department of National Revenue, Taxation) and whose registration has not been revoked, does not have to complete all parts of Form 1023 that would otherwise be applicable. Such an organization must complete only Part I of Form 1023 and Schedule B (Schools, Colleges, and Universities). The organization must also attach a copy of its **Form T2050**, Application for Registration, together with all the required attachments that it submitted to Revenue Canada. If any attachments were prepared in French, an English translation must be furnished.

Other Canadian organizations seeking a determination of section 501(c)(3) status must complete Form 1023 in the same manner as U.S. organizations.

## Specific Instructions

The following instructions are keyed to the line items on the application form:

### Part I. Identification of Applicant

**Line 1. Full name and address of organization.**—Enter the organization's name exactly as it appears in its creating document including amendments. If the organization will be operating under another name, show the other name in parentheses. Enter your nine-digit ZIP code.

If the organization's address is outside the United States or its possessions or territories, enter the information on the line for "City or town, state, and ZIP code" in the following order: city, province or state, foreign postal code, and the name of the foreign country. **Do not** abbreviate the country name.

**Line 2. Employer identification number (EIN).**—All organizations must have an EIN. Enter the nine-digit EIN assigned to the organization by the IRS. If the organization does **not** have an EIN, get **Form SS-4**, Application for Employer Identification Number, for details on how to obtain an EIN immediately by telephone. If the organization has previously applied for a number, enter "applied for" and attach a statement giving the date of the application and the office where it was filed. **Do not** apply for an EIN more than once.

**Line 3. Person to contact.**—Enter the name and telephone number of the person to contact during business hours if more information is needed. The contact person should be an officer, director, or a person with power of attorney who is familiar with the organization's activities and is authorized to act on its behalf. Attach Form 2848 or other power of attorney.

**Line 4. Month the annual accounting period ends.**—Enter the month the organization's annual accounting period ends. The accounting period is usually the 12-month period that is the organization's tax year. The organization's first tax year depends on the accounting period chosen. (The first tax year could be less than 12 months).

**Line 5. Date formed.**—Enter the date the organization became a legal entity. For a corporation, this is the date that the articles of incorporation were approved by the appropriate state official. For an unincorporated organization, it is the date its constitution or articles of association were adopted.

**Line 6. Activity codes.**—Select up to three of the code numbers listed on the back cover that best describe or most accurately identify the organization's purposes, activities, or type of organization. Enter the codes in the order of importance.

**Line 7.**—Indicate if the organization is one of the following:

- 501(e) Cooperative hospital service organization;
- 501(f) Cooperative service organization of operating educational organization;
- 501(k) Organization providing child care.

If none of the above applies, make no entry on line 7.

**Line 8.**—Indicate if the organization has ever filed a Form 1023 or **Form 1024**, Application for Recognition of Exemption Under Section 501(a), with the IRS.

**Line 9.**—If the organization for which this application is being filed is a private foundation, answer "N/A." If the organization is not required to file Form 990 (or Form 990-EZ) and is not a private foundation, answer "No" and attach an explanation. Get the Form 990 Instructions and refer to page 2 for a discussion of organizations not required to file Form 990 (or Form 990-EZ). Otherwise, answer "Yes."

**Line 10.**—Indicate if the organization has ever filed Federal income tax returns as a taxable organization or filed returns as an exempt organization (e.g., Form 990, 990-EZ, 990-PF, or 990-T, Exempt Organization Business Income Tax Return).

**Line 11. Type of organization and organizational documents.**—

Submit a conformed copy of the organizing instrument. If the organization does not have an organizing instrument, it will not qualify for exempt status. A conformed copy is one that agrees with the original and all amendments to it. The conformed copy may be a photocopy of the original signed and dated organizing document OR it may be a copy of the organizing document that is not signed but is accompanied by a written declaration signed by an authorized individual stating that the copy is a complete and accurate copy of the original signed and dated document.

In the case of a corporation, a copy of the articles of incorporation, approved and dated by an appropriate state official, is sufficient by itself. If an unsigned copy of the articles of incorporation is submitted, it must be accompanied by the written declaration discussed above. Signed or unsigned copies of the articles of incorporation must be accompanied by a declaration stating that the original copy of the articles was filed with, and approved by, the state. The date filed must be specified.

In the case of an unincorporated association, the conformed copy of the constitution, articles of association, or other organizing document must indicate in the document itself, or in a written declaration, that the organization was formed by the adoption of the document by two or more persons.

If the organization has adopted bylaws, include a current copy. The bylaws need not be signed if submitted as an attachment to the application for recognition of exemption. The bylaws of an organization alone are not an organizing instrument. They are merely the internal rules and regulations of the organization.

In the case of a trust, a copy of the signed and dated trust instrument must be furnished.

For your organization to qualify for exempt status, its organizing instrument must contain a proper dissolution clause, or state law must provide for distribution of assets for one or more exempt (section 501(c)(3)) purposes upon dissolution. If you rely on state law, please cite the law and briefly state its provisions on an attachment. Foreign organizations must cite and attach a copy of the foreign statute along with an English language translation.

See Pub. 557 for a discussion of dissolution clauses under the heading, **Dedication and Distribution of Assets**. Examples of dissolution clauses are shown in the sample organizing instruments.

The organizing instrument must also specify the organizational purposes and the purposes specified must be limited to one or more of those set out in section 501(c)(3). See Pub. 557 for detailed instructions and for sample organizing instruments that satisfy the requirements of section 501(c)(3) and the related regulations.

## Part II. Activities and Operational Information

**Line 1.**—It is important that you report all activities carried on by the organization to enable the IRS to make a proper determination of the organization's exempt status.

**Line 2.**—If it is anticipated that the organization's principal sources of support will increase or decrease substantially in relation to the organization's total support, attach a statement describing anticipated changes and explaining the basis for the expectation.

**Line 3.**—For purposes of providing the information requested on line 3, "fundraising activity" includes the solicitation of contributions and both functionally related activities and unrelated business activities. Include a description of the nature and magnitude of the activities.

**Line 4a.**—Furnish the mailing addresses of the organization's principal officers, directors, or trustees. Do not give the address of the organization.

**Line 4b.**—The annual compensation includes salary, bonus, and any other form of payment to the individual for services while employed by the organization.

**Line 4c.**—Public officials include anyone holding an elected position or anyone appointed to a position by an elected official.

**Line 4d.**—For purposes of this application, a "disqualified person" is any person who, if the applicant organization were a private foundation, is:

1. A "substantial contributor" to the foundation (defined below);
2. A foundation manager;
3. An owner of more than 20% of the total combined voting power of a corporation that is a substantial contributor to the foundation;
4. A "member of the family" of any person described in 1, 2, or 3 above;
5. A corporation, partnership, or trust in which persons described in 1, 2, 3, or 4 above, hold more than 35% of the combined voting power, the profits interest, or the beneficial interests; and
6. Any other private foundation that is effectively controlled by the same persons who control the first-mentioned private foundation or any other private foundation substantially all of whose contributions were made by the same contributors.

A substantial contributor is any person who gave a total of more than \$5,000 to the organization, and those contributions are more than 2% of all the contributions and bequests received by the organization from the date it was created up to the end of the year the contributions by the substantial contributor were received. A creator of a trust is treated as a substantial contributor regardless of the amount contributed by that person or others.

See Pub. 578 for more information on "disqualified persons."

**Line 5.**—If your organization controls or is controlled by another exempt organization or a taxable organization, answer "Yes." "Control" means that:

1. Fifty percent (50%) or more of the filing organization's officers, directors, trustees, or key employees are also officers, directors, trustees, or key employees of the second organization being tested for control;
2. The filing organization appoints 50% or more of the officers, directors, trustees, or key employees of the second organization; or
3. Fifty percent (50%) or more of the filing organization's officers, directors, trustees, or key employees are appointed by the second organization.

Control exists if the 50% test is met by any one group of persons even if collectively the 50% test is not met. Examples of special relationships are common officers and the sharing of office space or employees.

**Line 6.**—If the organization conducts any financial transactions (either receiving funds or paying out funds), or nonfinancial activities with an exempt organization (other than a 501(c)(3) organization), or with a political organization, answer "Yes," and explain.

**Line 7.**—If the organization must report its income and expense activity to any other organization (tax-exempt or taxable entity), answer "Yes."

**Line 8.**—Examples of assets used to perform an exempt function are: land, building, equipment, and publications. Do not include cash or property producing investment income. If you have no assets used in performing the organization's exempt function, answer "N/A."

**Line 10a.**—If the organization is managed by another exempt organization, a taxable organization, or an individual, answer "Yes."

**Line 10b.**—If the organization leases property from anyone or leases any of its property to anyone, answer “Yes.”

**Line 11.**—A membership organization for purposes of this question is an organization that is composed of individuals or organizations who:

1. Share in the common goal for which the organization was created;
2. Actively participate in achieving the organization’s purposes; and
3. Pay dues.

**Line 12.**—Examples of benefits, services, and products are: meals to homeless people, home for the aged, museum open to the public, and a symphony orchestra giving public performances.

**Note:** *Organizations that provide low-income housing should see Rev. Proc. 96-32, 1996-20 I.R.B. 14, for a “safe harbor” and an alternative facts and circumstances test to be used in completing line 12.*

**Line 13.**—An organization is attempting to influence legislation if it contacts or urges the public to contact members of a legislative body, for the purpose of proposing, supporting, or opposing legislation, or if it advocates the adoption or rejection of legislation.

If you answer “Yes,” you may want to file **Form 5768**, Election/Revocation of Election by an Eligible Section 501(c)(3) Organization To Make Expenditures To Influence Legislation.

**Line 14.**—An organization is intervening in a political campaign if it promotes or opposes the candidacy or prospective candidacy of an individual for public office.

### Part III. Technical Requirements

**Line 1.**—If you check “Yes,” proceed to line 8. If you check “No,” proceed to line 2.

**Line 2a.**—To qualify as an integrated auxiliary, an organization must not be a private foundation and must satisfy the affiliation and support tests of Regulations section 1.6033-2(h).

**Line 3.**—Relief from the 15-month filing requirement is granted automatically if the organization submits a completed Form 1023 within 12 months from the end of the 15-month period.

**Line 4.**—See Rev. Proc. 92-85, 1992-2 C.B. 490, for information about an extension beyond the 27-month period. According to section 5.01 of Rev. Proc. 92-85, the IRS will allow an organization an extension of time to file a Form 1023 application under a reasonable action and good-faith standard. In such case, the organization does not need to provide any further information or affidavits provided that it files its application before the IRS has discovered the organization’s failure to file an application.

**Line 5.**—The reasons for late filing should be specific to your particular organization and situation. Rev. Proc. 92-85 lists the factors the IRS will consider in determining if good cause exists for granting an extension of time to file the application. (Also see Pub. 557.) To address these factors, your response on line 5 should provide the following information:

1. Whether the organization consulted an attorney or accountant knowledgeable in tax matters or communicated with a responsible IRS employee (before or after the organization was created) to ascertain the organization’s Federal filing requirements and, if so, the names and occupations or titles of the persons contacted, the approximate dates, and the substance of the information obtained;
2. How and when the organization learned about the 15-month deadline for filing Form 1023;
3. Whether any significant intervening circumstances beyond the organization’s control prevented it from submitting the application timely or within a reasonable period of time after it learned of the requirement to file the application within the 15-month period; and
4. Any other information that you believe may establish good cause for not filing timely or otherwise justify granting the relief sought.

**Line 7.**—The organization may still be able to qualify for exemption under section 501(c)(4) for the period preceding the effective date of its exemption as a section 501(c)(3) organization. If the organization is qualified under section 501(c)(4) and page 1 of Form 1024 is filed as directed, the organization will not be liable for income tax returns as a taxable entity. Contributions to section 501(c)(4) organizations are generally not deductible by donors as charitable contributions.

**Line 8.**—Private foundations are subject to various requirements, restrictions, and excise taxes under Chapter 42 of the Code that do not apply to public charities. Also, contributions to private

foundations may receive less favorable treatment than contributions to public charities. See Pub. 578. Therefore, it is usually to an organization’s advantage to show that it qualifies as a public charity rather than as a private foundation if its activities or sources of support permit it to do so. Unless an organization meets one of the exceptions below, it is a private foundation. In general, an organization is **not** a private foundation if it is:

1. A church, school, hospital, or governmental unit;
2. A medical research organization operated in conjunction with a hospital;
3. An organization operated for the benefit of a college or university that is owned or operated by a governmental unit;
4. An organization that normally receives a substantial part of its support in the form of contributions from a governmental unit or from the general public as provided in section 170(b)(1)(A)(vi);
5. An organization that normally receives not more than one-third of its support from gross investment income and more than one-third of its support from contributions, membership fees, and gross receipts related to its exempt functions (subject to certain exceptions) as provided in section 509(a)(2);
6. An organization operated solely for the benefit of, and in connection with, one or more organizations described above (or for the benefit of one or more of the organizations described in section 501(c)(4), (5), or (6) of the Code and also described in 5 above), but not controlled by disqualified persons other than foundation managers, as provided in section 509(a)(3); or
7. An organization organized and operated to test for public safety as provided in section 509(a)(4).

**Line 9.**—Basis for private operating foundation status: (Complete this line **only** if you answered “Yes” to the question on line 8.)

A “private operating foundation” is a private foundation that spends substantially all of its adjusted net income or its minimum investment return, whichever is less, directly for the active conduct of the activities constituting the purpose or function for which it is organized and operated. The foundation must satisfy the income test and one of the three supplemental tests: **(1)** the assets test; **(2)** the endowment test; or **(3)** the support test. For additional information, see Pub. 578.

**Line 10.**—Basis for nonprivate foundation status: Check the box that shows why your organization is not a private foundation.

*Box (a). A church or convention or association of churches.*

*Box (b). A school.*—See the definition in the instructions for Schedule B.

*Box (c). A hospital or medical research organization.*—See the instructions for Schedule C.

*Box (d). A governmental unit.*—This category includes a state, a possession of the United States, or a political subdivision of any of the foregoing, or the United States, or the District of Columbia.

*Box (e). Organizations operated in connection with or solely for organizations described in (a) through (d) or (g), (h), and (i).*—The organization must be organized and operated for the benefit of, to perform the functions of, or to carry out the purposes of one or more specified organizations described in section 509(a)(1) or (2). It must be operated, supervised, or controlled by or in connection with one or more of the organizations described in the instructions for boxes **(a)** through **(d)** or **(g)**, **(h)**, and **(i)**. It must not be controlled directly or indirectly by disqualified persons (other than foundation managers or organizations described in section 509(a)(1) or (2)). To show whether the organization satisfies these tests, complete Schedule D.

*Box (f). An organization testing for public safety.*—An organization in this category is one that tests products to determine their acceptability for use by the general public. It does not include any organization testing for the benefit of a manufacturer as an operation or control in the manufacture of its product.

*Box (g). Organization for the benefit of a college or university owned or operated by a governmental unit.*—The organization must be organized and operated exclusively for the benefit of a college or university that is an educational organization within the meaning of section 170(b)(1)(A)(ii) and is an agency or instrumentality of a state or political subdivision of a state; is owned or operated by a state or political subdivision of a state; or is owned or operated by an agency or instrumentality of one or more states or political subdivisions. The organization must also normally receive a substantial part of its support from the United States or any state or political subdivision of a state, or from direct or indirect contributions from the general

public or from a combination of these sources. An organization described in section 170(b)(1)(A)(iv) will be subject to the same publicly supported rules that are applicable to 170(b)(1)(A)(vi) organizations described in box (h) below.

**Box (h). Organization receiving support from a governmental unit or from the general public.**—The organization must receive a substantial part of its support from the United States or any state or political subdivision, or from direct or indirect contributions from the general public, or from a combination of these sources. The organization may satisfy the support requirement in either of two ways. It will be treated as publicly supported if the support it normally receives from the above-described governmental units and the general public equals at least one-third of its total support. It will also be treated as publicly supported if the support it normally receives from governmental or public sources equals at least 10% of total support and the organization is set up to attract new and additional public or governmental support on a continuous basis. If the organization's governmental and public support is at least 10%, but not over one-third of its total support, the questions on lines 1 through 14 of Part II will apply to determine both the organization's claim of exemption and whether it is publicly supported. Preparers should exercise care to assure that those questions are answered in detail.

**Box (i). Organization described in section 509(a)(2).**—The organization must satisfy the support test under section 509(a)(2)(A) and the gross investment income test under section 509(a)(2)(B). To satisfy the support test, the organization must normally receive more than one-third of its support from: (a) gifts, grants, contributions, or membership fees, and (b) gross receipts from admissions, sales of merchandise, performance of services, or furnishing of facilities, in an activity that is not an unrelated trade or business (subject to certain limitations discussed below). This one-third of support must be from organizations described in section 509(a)(1), governmental sources, or persons other than disqualified persons. In computing gross receipts from admissions, sales of merchandise, performance of services, or furnishing of facilities in an activity that is not an unrelated trade or business, the gross receipts from any one person or from any bureau or similar agency of a governmental unit are includable only to the extent they do not exceed the greater of \$5,000 or 1% of the organization's total support. To satisfy the gross investment income test, the organization must not receive more than one-third of its support from gross investment income.

**Box (j).**—If you believe the organization meets the public support test of section 170(b)(1)(A)(vi) or 509(a)(2) but are uncertain as to which public support test it satisfies, check box (j). By checking this box, you are claiming that the organization is not a private foundation and are agreeing to let the IRS compute the public support of your organization and determine the correct foundation status.

**Line 11.**—To receive a definitive (final) ruling under sections 170(b)(1)(A)(vi) and 509(a)(1) or under section 509(a)(2), an organization must have completed a tax year consisting of at least 8 months. Organizations that checked box (h), (i), or (j) on line 10 that do not satisfy the 8-month requirement must request an advance ruling covering their first 5 tax years instead of a definitive ruling.

An organization that satisfies the 8-month requirement has two options:

1. It may request a definitive ruling. In this event, the organization's qualification under sections 170(b)(1)(A)(vi) and 509(a)(1) or under section 509(a)(2) will be based on the support that the organization has received to date; or

2. It may request an advance ruling. If the IRS issues the advance ruling, the organization's public support computation will be based on the support it receives during its first 5 tax years. An organization should consider this option if it has not received significant public support during its first tax year or during its first and second tax years, but it reasonably expects to receive such support by the end of its fifth tax year. An organization that receives an advance ruling is treated, during the 5-year advance ruling period, as a public charity (rather than a private foundation) for certain purposes, including those relating to the deductibility of contributions by the general public.

**Line 12.**—For definition of an unusual grant, see instructions for Part IV-A, line 12.

**Line 13.**—Answer this question only if you checked box (g), (h), or (j) on line 10.

**Line 14.**—Answer the question on this line only if you checked box (i) or (j) on line 10 and are requesting a definitive ruling on line 11.

**Line 15.**—Answer "Yes" or "No" on each line. If "Yes," you must complete the appropriate schedule. Each schedule is included in this application package with accompanying instructions. For a brief definition of each type of organization, see the appropriate schedule.

## Part IV. Financial Data

The Statement of Revenue and Expenses must be completed for the current year and each of the 3 years immediately before it (or the years the organization has existed, if less than 4). Any applicant that has existed for less than 1 year must give financial data for the current year and proposed budgets for the following 2 years. We may request financial data for more than 4 years if necessary. All financial information for the current year must cover the period beginning on the first day of the organization's established annual accounting period and ending on any day that is within 60 days of the date of this application. If the date of this application is less than 60 days after the first day of the current accounting period, no financial information is required for the current year. Financial information is required for the 3 preceding years regardless of the current year requirements. Please note that if no financial information is required for the current year, the preceding year's financial information can end on any day that is within 60 days of the date of this application. Prepare the statements using the method of accounting and the accounting period (entered on line 4 of Part I) the organization uses in keeping its books and records. If the organization uses a method other than the cash receipts and disbursements method, attach a statement explaining the method used.

### A. Statement of Revenue and Expenses

**Line 1.**—Do not include amounts received from the general public or a governmental unit for the exercise or performance of the organization's exempt functions. However, payments made by a governmental unit to enable the organization to provide a service to the general public should be included. Also, do not include unusual grants. For an explanation of unusual grants, see the discussion for **Line 12** on the following page.

**Line 2.**—Include amounts received from members for the basic purpose of providing support to the organization. These are considered to be contributions. Do not include payments to purchase admissions, merchandise, services, or use of facilities.

**Line 3.**—Include on this line the income received from dividends, interest, and payments received on securities loans, rents, and royalties.

**Line 4.**—Enter the organization's net income from any activities that are regularly carried on and are not related to the organization's exempt purposes. Examples of such income include fees from the commercial testing of products; income from renting office equipment or other personal property; and income from the sale of advertising in an exempt organization's periodical. See Pub. 598 for information about unrelated business income and activities.

**Line 5.**—Enter the amount collected by the local tax authority from the general public that has been allocated for your organization.

**Line 6.**—To report the value of services and/or facilities furnished by a governmental unit, use the fair market value at the time the service/facility was furnished to your organization. Do not include any other donated services or facilities in Part IV.

**Line 7.**—Enter the total income from all sources that is not reported on lines 1 through 6, or lines 9, 11, and 12. Attach a schedule that lists each type of revenue source and the amount derived from each.

**Line 9.**—Include income generated by the organization's exempt function activities (charitable, educational, etc.) and by its nontaxable fundraising events (excluding any contributions received). Examples of such income include the income derived by a symphony orchestra from the sale of tickets to its performances; and raffles, bingo, or other fundraising-event income that is not taxable as unrelated business income because the income-producing activities are not regularly carried on or because they are conducted with substantially all (at least 85%) volunteer labor. Record related cost of sales on line 22, Other.

**Line 11.**—Attach a schedule that shows a description of each asset, the name of the person to whom sold, and the amount received. In the case of publicly traded securities sold through a broker, the name of the purchaser is not required.

**Line 12.**—Unusual grants generally consist of substantial contributions and bequests from disinterested persons that:

1. Are attracted by reason of the publicly supported nature of the organization;
2. Are unusual and unexpected as to the amount; and
3. Would, by reason of their size, adversely affect the status of the organization as normally meeting the support test of section 170(b)(1)(A)(vi) or section 509(a)(2), as the case may be.

If the organization is awarded an unusual grant and the terms of the granting instrument provide that the organization will receive the funds over a period of years, the amount received by the organization each year under the grant may be excluded. See the regulations under sections 170 and 509.

**Line 14.**—Fundraising expenses represent the total expenses incurred in soliciting contributions, gifts, grants, etc.

**Line 15.**—Attach a schedule showing the name of the recipient, a brief description of the purposes or conditions of payment, and the amount paid. The following example shows the format and amount of detail required for this schedule:

Recipient	Purpose	Amount
Museum of Natural History	General operating budget	\$9,000
State University	Books for needy students	4,500
Richard Roe	Educational scholarship	2,200

Colleges, universities, and other educational institutions and agencies subject to the Family Educational Rights and Privacy Act (20 U.S.C. 1232g) are not required to list the names of individuals who were provided scholarships or other financial assistance where such disclosure would violate the privacy provisions of the law. Instead, such organizations should group each type of financial aid provided, indicate the number of individuals who received the aid, and specify the aggregate dollar amount.

**Line 16.**—Attach a schedule showing the name of each recipient, a brief description of the purposes or condition of payment, and amount paid. Do not include any amounts that are on line 15. The schedule should be similar to the schedule shown in the line 15 instructions above.

**Line 17.**—Attach a schedule that shows the name of the person compensated; the office or position; the average amount of time devoted to the organization's affairs per week, month, etc.; and the amount of annual compensation. The following example shows the format and amount of detail required:

Name	Position	Time devoted	Annual salary
Philip Poe	President and general manager	16 hrs. per wk.	\$7,500

**Line 18.**—Enter the total of employees' salaries not reported on line 17.

**Line 19.**—Enter the total interest expense for the year, excluding mortgage interest treated as occupancy expense on line 20.

**Line 20.**—Enter the amount paid for the use of office space or other facilities, heat, light, power, and other utilities, outside janitorial services, mortgage interest, real estate taxes, and similar expenses.

**Line 21.**—If your organization records depreciation, depletion, and similar expenses, enter the total.

**Line 22.**—Attach a schedule listing the type and amount of each significant expense for which a separate line is not provided. Report other miscellaneous expenses as a single total if not substantial in amount.

## B. Balance Sheet

**Line 1.**—Enter the total cash in checking and savings accounts, temporary cash investments (money market funds, CDs, treasury bills, or other obligations that mature in less than 1 year), change funds, and petty cash funds.

**Line 2.**—Enter the total accounts receivable that arose from the sale of goods and/or performance of services, less any reserve for bad debt.

**Line 3.**—Enter the amount of materials, goods, and supplies purchased or manufactured by the organization and held to be sold or used in some future period.

**Line 4.**—Attach a schedule that shows the name of the borrower, a brief description of the obligation, the rate of return on the principal indebtedness, the due date, and the amount due. The following example shows the format and amount of detail required:

Name of borrower	Description of obligation	Rate of return	Due date	Amount
Hope Soap Corporation	Debenture bond (no senior issue outstanding)	10%	Jan. 2004	\$ 7,500
Big Spool Company	Collateral note secured by company's fleet of 20 delivery trucks	12%	Jan. 2003	62,000

**Line 5.**—Attach a schedule listing the organization's corporate stock holdings. For stock of closely held corporations, the statement should show the name of the corporation, a brief summary of the corporation's capital structure, and the number of shares held and their value as carried on the organization's books. If such valuation does not reflect current fair market value, also include fair market value. For stock traded on an organized exchange or in substantial quantities over the counter, the statement should show the name of the corporation, a description of the stock and the principal exchange on which it is traded, the number of shares held, and their value as carried on the organization's books. The following example shows the format and the amount of detail required:

Name of corporation	Capital structure (or exchange on which traded)	Shares	Book amount	Fair market value
Little Spool Corporation	100 shares nonvoting preferred issued and outstanding, no par value; 50 shares common issued and outstanding, no par value.			
	Preferred shares:	50	\$20,000	\$24,000
	Common shares:	10	25,000	30,000
Flintlock Corporation	Class A common N.Y.S.E.	20	3,000	3,500

**Line 6.**—Report each loan separately, even if more than one loan was made to the same person. Attach a schedule that shows the borrower's name, purpose of loan, repayment terms, interest rate, and original amount of loan.

**Line 7.**—Enter the book value of government securities held (U.S., state, or municipal). Also enter the book value of buildings and equipment held for investment purposes. Attach a schedule identifying and reporting the book value of each.

**Line 8.**—Enter the book value of buildings and equipment **not** held for investment. This includes plant and equipment used by the organization in conducting its exempt activities. Attach a schedule listing these assets held at the end of the current tax year/period and the cost or other basis.

**Line 9.**—Enter the book value of land **not** held for investment.

**Line 10.**—Enter the book value of each category of assets not reported on lines 1 through 9. Attach a schedule listing each.

**Line 12.**—Enter the total of accounts payable to suppliers and others, such as salaries payable, accrued payroll taxes, and interest payable.

**Line 13.**—Enter the unpaid portion of grants and contributions that the organization has made a commitment to pay other organizations or individuals.

**Line 14.**—Enter the total of mortgages and other notes payable outstanding at the end of the current tax year/period. Attach a schedule that shows each item separately and the lender's name, purpose of loan, repayment terms, interest rate, and original amount.

**Line 15.**—Enter the amount of each liability not reported on lines 12 through 14. Attach a separate schedule.

**Line 17.**—Under fund accounting, an organization segregates its assets, liabilities, and net assets into separate funds according to restrictions on the use of certain assets. Each fund is like a separate entity in that it has a self-balancing set of accounts showing assets, liabilities, equity (fund balance), income, and expenses. If the organization does not use fund accounting, report only the "net assets" account balances, such as: capital stock, paid-in capital, and retained earnings or accumulated income.

**Part III** Technical Requirements

1 Are you filing Form 1023 within 15 months from the end of the month in which your organization was created or formed? . . . . .  Yes  No  
If you answer "Yes," do not answer questions on lines 2 through 7 below.

2 If one of the exceptions to the 15-month filing requirement shown below applies, check the appropriate box and proceed to question 8.  
**Exceptions**—You are not required to file an exemption application within 15 months if the organization:  
 a Is a church, interchurch organization of local units of a church, a convention or association of churches, or an integrated auxiliary of a church. See Specific Instructions, Line 2a, on page 4;  
 b Is not a private foundation and normally has gross receipts of not more than \$5,000 in each tax year; or  
 c Is a subordinate organization covered by a group exemption letter, but only if the parent or supervisory organization timely submitted a notice covering the subordinate.

3 If the organization does not meet any of the exceptions on line 2 above, are you filing Form 1023 within 27 months from the end of the month in which the organization was created or formed? . . . . .  Yes  No  
  
If "Yes," your organization qualifies under section 4.01 of Rev. Proc. 92-85, 1992-2 C.B. 490, for an automatic 12-month extension of the 15-month filing requirement. Do not answer questions 4 through 7.

If "No," your organization is requesting an extension of time to apply under the "reasonable action and good faith" requirements of section 5.01 of Rev. Proc. 92-85. Do not answer questions 5 through 7.  
  
If "Yes," answer question 5.

5 If you answer "Yes" to question 4, does the organization wish to request relief from the 15-month filing requirement? . . . . .  Yes  No  
  
If "Yes," give the reasons for not filing this application prior to being contacted by the IRS. See Specific Instructions, Line 5, on page 4 before completing this item. Do not answer questions 6 and 7.  
  
If "No," answer question 6.

6 If you answer "No" to question 5, your organization's qualification as a section 501(c)(3) organization can be recognized only from the date this application is filed with your key District Director. Therefore, do you want us to consider the application as a request for recognition of exemption as a section 501(c)(3) organization from the date the application is received and not retroactively to the date the organization was created or formed? . . . . .  Yes  No

7 If you answer "Yes" to question 6 above and wish to request recognition of section 501(c)(4) status for the period beginning with the date the organization was formed and ending with the date the Form 1023 application was received (the effective date of the organization's section 501(c)(3) status), check here  and attach a completed page 1 of Form 1024 to this application.

**Part III** Technical Requirements (Continued)

### Instructions

Although a church, its integrated auxiliaries, or a convention or association of churches is not required to file Form 1023 to be exempt from Federal income tax or to receive tax-deductible contributions, such an organization may find it advantageous to obtain recognition of exemption. In this event, you should submit information showing that your organization is a church, synagogue, association or convention of churches, religious order or religious organization that is an integral part of a church, and that it is carrying out the functions of a church.

In determining whether an admittedly religious organization is also a church, the IRS does not accept any and every assertion that such an organization is a church. Because beliefs and practices vary so widely, there is no single definition of the word "church" for tax purposes. The IRS considers the facts and circumstances of each organization applying for church status.

The IRS maintains two basic guidelines in determining that an organization meets the religious purposes test:

1. That the particular religious beliefs of the organization are truly and sincerely held, and
2. That the practices and rituals associated with the organization's religious beliefs or creed are not illegal or contrary to clearly defined public policy.

In order for the IRS to properly evaluate your organization's activities and religious purposes, it is important that all questions in Schedule A be answered accurately.

The information submitted with Schedule A will be a determining factor in granting the "church" status requested by your organization. In completing the schedule, consider the following points:

1. The organization's activities in furtherance of its beliefs must be exclusively religious, and
  2. An organization will not qualify for exemption if it has a substantial nonexempt purpose of serving the private interests of its founder or the founder's family.

### Schedule B. Schools, Colleges, and Universities

**1** Does, or will, the organization normally have: **(a)** a regularly scheduled curriculum, **(b)** a regular faculty of qualified teachers, **(c)** a regularly enrolled student body, and **(d)** facilities where its educational activities are regularly carried on?  Yes  No  
 If "No," do not complete the rest of Schedule B.

**2** Is the organization an instrumentality of a state or political subdivision of a state?  Yes  No  
 If "Yes," document this in Part II and do not complete items 3 through 10 of Schedule B. (See instructions on the back of Schedule B.)

**3** Does or will the organization (or any department or division within it) discriminate in any way on the basis of race with respect to:

**a** Admissions?  Yes  No  
**b** Use of facilities or exercise of student privileges?  Yes  No

**d** Scholarship or loan programs?  Yes  No  
 If "Yes" for any of the above, explain.

**4** Does the organization include a statement in its charter, bylaws, or other governing instrument, or in a resolution of its governing body, that it has a racially nondiscriminatory policy as to students?  Yes  No  
 Attach whatever corporate resolutions or other official statements the organization has made on this subject.

**5a** Has the organization made its racially nondiscriminatory policies known in a manner that brings the policies to the attention of all segments of the general community that it serves?  Yes  No  
 If "Yes," describe how these policies have been publicized and how often relevant notices or announcements have been made. If no newspaper or broadcast media notices have been used, explain.

**b** If applicable, attach clippings of any relevant newspaper notices or advertising, or copies of tapes or scripts used for media broadcasts. Also attach copies of brochures and catalogues dealing with student admissions, programs, and scholarships, as well as representative copies of all written advertising used as a means of informing prospective students of the organization's programs.

**6** Attach a numerical schedule showing the racial composition, as of the current academic year, and projected to the extent feasible for the next academic year, of: **(a)** the student body, and **(b)** the faculty and administrative staff.

**8a** Attach a list of the organization's incorporators, founders, board members, and donors of land or buildings, whether individuals or organizations.

**b** State whether any of the organizations listed in **8a** have as an objective the maintenance of segregated public or private school education, and, if so, whether any of the individuals listed in **8a** are officers or active members of such organizations.

**9a** Enter the public school district and county in which the organization is located.

**b** Was the organization formed or substantially expanded at the time of public school desegregation in the above district or county?  Yes  No

**10** Has the organization ever been determined by a state or Federal administrative agency or judicial body to be racially discriminatory?  Yes  No

If "Yes," attach a detailed explanation identifying the parties to the suit, the forum in which the case was heard, the cause of action, the holding in the case, and the citations (if any) for the case. Also describe in detail what changes in the organization's operation, if any, have occurred since then.

## Instructions

A "school" is an organization that has the primary function of presenting formal instruction, normally maintains a regular faculty and curriculum, normally has a regularly enrolled student body, and has a place where its educational activities are carried on. The term generally corresponds to the definition of an "educational organization" in section 170(b)(1)(A)(ii). Thus, the term includes primary, secondary, preparatory and high schools, and colleges and universities. The term does not include organizations engaged in both educational and noneducational activities unless the latter are merely incidental to the educational activities. A school for handicapped children is included within the term, but an organization merely providing handicapped children with custodial care is not.

For purposes of Schedule B, "Sunday schools" that are conducted by a church are not included in the term "schools," but separately organized schools (such as parochial schools, universities, and similar institutions) are included in the term.

A private school that otherwise meets the requirements of section 501(c)(3) as an educational institution will not qualify for exemption under section 501(a) unless it has a racially nondiscriminatory policy as to students. This policy means that the school admits students of any race to all the rights, privileges, programs, and activities generally accorded or made available to students at that school and that the school does not discriminate on the basis of race in the administration of its educational policies, admissions policies, scholarship and loan programs, and athletic or

other school-administered programs. The IRS considers discrimination on the basis of race to include discrimination on the basis of color and national or ethnic origin. A policy of a school that favors racial minority groups in admissions, facilities, programs, and financial assistance will not constitute discrimination on the basis of race when the purpose and effect is to promote the establishment and maintenance of that school's racially nondiscriminatory policy as to students. See Rev. Proc. 75-50, 1975-2 C.B. 587, for guidelines and recordkeeping requirements for determining whether private schools that are applying for recognition of exemption have racially nondiscriminatory policies as to students.

### Line 2

An instrumentality of a state or political subdivision of a state may qualify under section 501(c)(3) if it is organized as a separate entity from the governmental unit that created it and if it otherwise meets the organizational and operational tests of section 501(c)(3). (See Rev. Rul. 60-384, 1960-2 C.B. 172.) Any such organization that is a school is not a private school and, therefore, is not subject to the provisions of Rev. Proc. 75-50.

Schools that incorrectly answer "Yes" to line 2 will be contacted to furnish the information called for by lines 3 through 10 in order to establish that they meet the requirements for exemption. To prevent delay in the processing of your application, be sure to answer line 2 correctly and complete lines 3 through 10, if applicable.

2 Attach a schedule describing the organization's present and proposed (indicate which) medical research activities; show the nature of the activities, and the amount of money that has been or will be spent in carrying them out. 3 Attach a statement of assets showing their fair market value and the portion of the assets directly devoted to medical research.

## Additional Information

### Hospitals

To be entitled to status as a "hospital," an organization must have, as its principal purpose or function, the providing of medical or hospital care or medical education or research. "Medical care" includes the treatment of any physical or mental disability or condition, the cost of which may be taken as a deduction under section 213, whether the treatment is performed on an inpatient or outpatient basis. Thus, a rehabilitation institution, outpatient clinic, or community mental health or drug treatment center may be a hospital if its principal function is providing the above-described services.

On the other hand, a convalescent home or a home for children or the aged is not a hospital. Similarly, an institution whose principal purpose or function is to train handicapped individuals to pursue some vocation is not a hospital. Moreover, a medical education or medical research institution is not a hospital, unless it is also actively engaged in providing medical or hospital care to patients on its premises or in its facilities on an inpatient or outpatient basis.

### Cooperative Hospital Service Organizations

Cooperative hospital service organizations (section 501(e)) should not complete Schedule C.

### Medical Research Organizations

To qualify as a medical research organization, the principal function of the organization must be the direct, continuous, and active conduct of medical research in conjunction with a hospital that is described in section 501(c)(3), a Federal hospital, or an instrumentality of a governmental unit referred to in section 170(c)(1). For purposes of section 170(b)(1)(A)(iii) only, the organization must be set up to use the funds it receives in the active conduct of medical research by January 1 of the fifth calendar year after receipt. The arrangement it has with donors to assure use of the funds within the 5-year period must be legally enforceable. As used here, "medical research" means investigations, experiments, and studies to discover, develop, or verify knowledge relating to the causes, diagnosis, treatment, prevention, or control of human physical or mental diseases and impairments. For further information, see Regulations section 1.170A-9(c)(2).

## Instructions

If the organization claims to be an operating foundation described in section 4942(j)(3) and—

**a.** Bases its claim to private operating foundation status on normal and regular operations over a period of years; or

**b.** Is newly created, set up as a private operating foundation, and has at least 1 year's experience; provide the information under the **income test and under one of the three supplemental tests** (assets, endowment, or support). If the organization does not have at least 1 year's experience, provide the information called for on line 21. If the organization's private operating foundation status depends on its normal and regular operations as described in **a** above, attach a schedule similar to Schedule E showing the data in tabular form for the 3 years preceding the most recent tax year. (See Regulations section 53.4942(b)-1 for additional information before completing the "Income Test" section of this schedule.) Organizations claiming section 4942(j)(5) status must satisfy the income test and the endowment test.

A "private operating foundation" described in section 4942(j)(3) is a private foundation that spends substantially all of the smaller of its adjusted net income (as defined below) or its minimum investment return directly for the active conduct of the activities constituting the purpose or function for which it is organized and operated. The foundation must satisfy the income test under section 4942(j)(3)(A), as modified by Regulations section 53.4942(b)-1, and one of the following three supplemental tests: **(1)** the assets test under section 4942(j)(3)(B)(i); **(2)** the endowment test under section 4942(j)(3)(B)(ii); or **(3)** the support test under section 4942(j)(3)(B)(iii).

Certain long-term care facilities described in section 4942(j)(5) are treated as private operating foundations for purposes of section 4942 only.

"Adjusted net income" is the excess of gross income determined with the income modifications described below for the tax year over the sum of deductions determined with the deduction modifications described below. Items of gross income from any unrelated trade or business and the deductions directly connected with the unrelated trade or business are taken into account in computing the organization's adjusted net income.

### Income Modifications

The following are income modifications (adjustments to gross income):

- Section 103 (relating to interest on certain governmental obligations) does not apply. Thus, interest that otherwise would have been excluded should be included in gross income.
- Except as provided in **3** below, capital gains and losses are taken into account only to the extent of the net short-term gain. Long-term gains and losses are disregarded.

**3.** The gross amount received from the sale or disposition of certain property should be included in gross income to the extent that the acquisition of the property constituted a qualifying distribution under section 4942(g)(1)(B).

**4.** Repayments of prior qualifying distributions (as defined in section 4942(g)(1)(A)) constitute items of gross income.

**5.** Any amount set aside under section 4942(g)(2) that is "not necessary for the purposes for which it was set aside" constitutes an item of gross income.

### Deduction Modifications

The following are deduction modifications (adjustments to deductions):

**1.** Expenses for the general operation of the organization according to its charitable purposes (as contrasted with expenses for the production or collection of income and management, conservation, or maintenance of income-producing property) should not be taken as deductions. If only a portion of the property is used for production of income subject to section 4942 and the remainder is used for general charitable purposes, the expenses connected with that property should be divided according to those purposes. Only expenses related to the income-producing portion should be taken as deductions.

**2.** Charitable contributions, deductible under section 170 or 642(c), should not be taken into account as deductions for adjusted net income.

**3.** The net operating loss deduction prescribed under section 172 should not be taken into account as a deduction for adjusted net income.

**4.** The special deductions for corporations (such as the dividends-received deduction) allowed under sections 241 through 249 should not be taken into account as deductions for adjusted net income.

**5.** Depreciation and depletion should be determined in the same manner as under section 4940(c)(3)(B).

Section 265 (relating to the expenses and interest connected with tax-exempt income) should not be taken into account.

You may find it easier to figure adjusted net income by completing column (c), Part 1, Form 990-PF, according to the instructions for that form.

An organization that has been held to be a private operating foundation will continue to be such an organization only if it meets the income test and either the assets, endowment, or support test in later years. See Regulations section 53.4942(b) for additional information. No additional request for ruling will be necessary or appropriate for an organization to maintain its status as a private operating foundation. However, data related to the above tests must be submitted with the organization's annual information return, Form 990-PF.
