Introducing...

Business *e-file* & e-pay Options

## Tax Product Suite

...to help you file and pay your business taxes electronically!

A quick, easy, smart way to get your taxes where you want them to be—Done!

Now, more business forms than ever are available for IRS *e-file* and e-pay. This portfolio lists product information on IRS *e-file* and e-pay options for business including Employment Taxes, Forms 940 and 941; Exempt Organizations, Forms 990,990-EZ, 990-PF and 1120-POL; Estates and Trusts, Form 1041; Partnerships, Form 1065; Corporations, Forms 1120 and 1120-S; and Information Returns using the FIRE system (Filing Information Returns Electronically).

Whether a business relies on a tax preparer or handles their own taxes, using IRS *e-file* allows them to spend less time on taxes and more time on their business. And, if a problem should occur, it's a lot easier to solve. Electronic payment options and electronic signatures also reduce paperwork and give businesses greater cash-management control.

e-Services is a suite of Internet-based business tools that will allow authorized tax professionals, including reporting agents and financial institutions easy access to client information.

**...isn't it time you began filing your business tax forms electronically?**

# Web Services

Access to tools and information for your business is right at your fingertips, by surfing the Web.

## New IRS e-file Requirements for Large Corporations and Tax Exempt Organizations

Corporations with gross assets of \$50 million or more, and tax exempt organizations with total assets of \$100 million or more, and which also file at least 250 returns a year, are required to electronically file their returns starting in 2006 (for 2005 returns) under new Treasury Regulations. After the first effective year, the requirement will affect corporations and tax exempt organizations with \$10 million or more in gross assets. For more information and FAQs on the new e-file requirements for Large Corporations and Tax Exempt Organizations, go to [www.irs.gov/businesses](http://www.irs.gov/businesses).

## Convenient Electronic Payment Options for Businesses

### EFTPS and EFW

Electronic payment options are convenient, easy and secure methods for paying taxes. Taxpayers can authorize an electronic funds withdrawal (EFW), credit card or enroll in the U.S. Treasury's Electronic Federal Tax Payment System (EFTPS).

EFTPS offers 4 easy ways to make all you federal tax payments:

- **EFTPS-OnLine** – Use the Internet to make payments for your business or clients. Registration is not required for tax professionals, however, taxpayers must be enrolled. To enroll visit [www.EFTPS.gov](http://www.EFTPS.gov).
- **EFTPS-Phone** – Available to taxpayers or tax professionals who wish to make debit payments using the telephone.
- **EFTPS-Batch Provider** – Designed for payroll processors and others who wish to enroll their clients and submit batches of payments using Windows-based software.
- **EFTPS-Bulk Provider** – Designed for payroll processors who initiate frequent payments from and desire automated enrollment through an Electronic Data Interchange (EDI) compatible system.

Electronic payment options give taxpayers a convenient alternative to paying taxes by check or money order. Payments can be made 24 hours a day, 7 days a week. EFTPS is free! To use EFTPS you must first enroll. To enroll, visit [www.EFTPS.com](http://www.EFTPS.com) or call EFTPS Customer Service at 1-800-555-4477 or 1-800-733-4829 (TDD Hearing-Impaired) or 1-800-244-4829 (Español).
